3. The Comptroller's office in their letter No. 904/IA.D. dated the 18th April 1927 (copy of which is enclosed for reference) desire that sanction of Government may be obtained for the appointment of the Overseer on a pay of Rs.40/- per month, as also for payment of actual travelling expenses to him for joining his first appointment. In this connection, I beg to state that the appointment has been made in accordance with G.O. No.D.5353/Geol.97-26-2 dated 12th January 1927; and personal instructions issued to me by the Second Member of Council and the Professor of Geology, Central College, who is a member of the Committee. I think the appointment etc., is in order.

It is feared that the strict application and enforcement of general principles in this case, may not be conducive to the proper

proper and efficient working of the scheme.

5. Under these circumstances, if you think it desirable, the matter may be placed before the Committee for further consideration and orders.

At the instance of the Comptroller, the Supdt. seeks orders on

1) the appointment of an overseer on Rs 40/- per mensem and (2) the grant of actual DA to the overseer for joining his first appointment.

As regards the appointment of the overseer on Rs 40/- made by the Supdt. Sanction should have been obtained previously, as he was empowered to make appointments up to Rs 30/- only. But it is reported that this was done under instructions of the Chairman and the Director of Pol. The appointment made may be approved.

Financial Department may perhaps be consulted as regards grant of DA for joining the first appointment.

The Supdt. proposes to continue
